

Minutes of the Parish Council Meeting held Monday 9th September 2019

8pm, Wivelsfield Church Hall, Church Lane

Agenda Item	Description	Resolved	
Present:	Councillors Dawson (ID, Chair), Pascoe (EP), Haffenden (IH), Rust (BR), Martin (HM) and Jackson (NJ). Liz Gander (Clerk), Nancy Bikson (District Councillor) and one member of the public.		
Open Forum:	A resident had attended the meeting to query three items: a) The number of loose kerbstones on Green Road between Slugwash Lane and the South Road junction. b) An item in the minutes from the April meeting. c) The Council's lack of support for the proposals for the former beer piper company, which he felt would make any future residents of this building feel unwelcome. It was believed that the action point against item 4h of the April minutes had been recorded erroneously as Councillor Pascoe would not have been tasked with drafting a letter to the Planning Inspectorate about the planning application in question on the Council's behalf, and did not do so. With regard to 'c' above, the Chairman said that the Council was not against development of the former Beer Piper building per se, with it being a brownfield site, but was not supportive of the original proposal to shoe-horn in twenty six tiny units. He pointed out that the Council had objected to the development of what is now Charters Gate Way for a number of reasons, including its size and its development on greenfield land, but this hadn't prevented new residents from being welcomed into the community once the homes were built. The crucial thing with the Beer Piper site is that what is being proposed is not felt appropriate and would cause extra issues with parking and road safety.	Clerk to report loose kerbstones.	
1	Apologies for Absence Apologies had been received from County Councillor Sheppard.		
2 a b	Declarations of Members' Interests To receive declarations of interest from Councillors on items on the agenda To receive (and grant if appropriate) written requests for dispensations for disclosable pecuniary interests	Councillor Jackson noted a pecuniary interest in item 4b (though this item was for information only).	
3 a b	To Approve the Minutes of: The Parish Council Meeting held 1 July 2019 The Extra-Ordinary Meeting held 5 August 2019	Both sets agreed & signed by the Chair.

	equipment and to do the same for the trees in the middle of the play area.	some of the trees.
d	War memorial maintenance – a resident who used to regularly tidy the war memorial site (on an entirely voluntary basis), has recently moved from the village and is no longer able to continue doing so. The Council discussed how best to find volunteers to fill this gap and suggested that the Clerk contact Wivelsfield Primary School to see whether some of the older pupils could do this periodically, just as they did litter picking last year to make a contribution to the community.	Clerk to buy flowers for outgoing volunteer & to contact school for help.
е	<u>Update on phone mast off South Road</u> – the Clerk had contacted the agent who had put in the original planning application for the mast, who had said he would pass it on to the owner, however nothing further has been heard.	
f	<u>Update on working with the Rita Project</u> – the Clerk advised that, following the pilot study that the Rita Project had been running in rural communities, it has now, in conjunction with the Sussex Community Development Association, set up the 'Rural Domestic & Sexual Abuse Recovery Project', to 'raise awareness of the signs of controlling and toxic behaviour and how to access services that may support a healthy and meaningful recovery'. There is still talk of running a stakeholder workshop in Wivelsfield, but no concrete plans for this have yet been made.	
g	To discuss having some sort of history trail signs on footpaths in the Parish (akin to those mentioned under item 8a) – it was agreed that it would be lovely to have informative signs on other footpaths/ bridleways across the Parish. The Clerk to contact the Historical Society to see if this is something that they would be willing to help with.	Historical Society to be asked to help with researching/
h	Invitation to do an interview on Burgess Hill Radio – the Clerk had been approached by Burgess Hill Radio to see whether she, and/or the Chair, would be willing to be interviewed one Wednesday morning, to tell people a bit more about Wivelsfield and life on a Parish Council. The Council wished to have more detail about exactly what they would want to talk about, before being prepared to make a decision about this.	drafting signs.
i	To discuss whether the Council should consider approaching landowners with a request for land to be allocated to allotments – after much discussion it was agreed that, with the majority of people in the Parish having gardens, the prospect of some allotments potentially being available if the Hurst Farm development on the Wivelsfield/Haywards Heath border goes ahead, and the lack of requests for allotments, the Council would not look to progress this at the moment. It did however wonder whether the Hospice, with having lots of land, would consider turning some of it over to allotments. Clerk to write to enquire.	
k	To discuss any action points arising from the presentation on Community Land Trusts prior to the meeting – to review the documents which Vicky left for the Council to look at. Update on the Council's IT contract – the IT contractor had reduced the originally quoted contract cost, having met with the Clerk to see and discuss the Council's IT requirements. The Council approved the	
I	new quote for annual maintenance, monitoring and support hours. CCTV risk assessment and policies – the Clerk reminded the Council that all relevant paperwork will need to be in place before the CCTV system goes live.	
8 a	Reports from Councillors CCTV implementation plans – the trenching machine is booked for the weekend of 5/6 October and East Sussex Highways is lined up to install the two poles in advance of that. The Clerk to double check with Highways/LDC to ensure planning consent is not required for the poles.	Cllr Pascoe looking into the best cabinets to get.

wiveistie	id Pari	sh Council Minutes of the Parish Council Meeting Held 9 Sept	ember 2019
WIVEISTIE	b c	Cllr Pascoe is looking into the best cabinets to purchase for the equipment. Refreshments will be needed for the weekend volunteers. A call for volunteers went out in the latest Wivelsfield News. Request for a bus shelter at the Village Hall entrance – it was agreed that it would seem to make more sense for the new Village Hall entrance to have a canopied front, to provide shelter for those waiting for taxis etc after events, as well as for those waiting for the bus in the Hall car park. A separate bus shelter would a) only serve a small number of people, b) be difficult to find a site for and c) would cost around £8k to purchase (plus installation costs). The Clerk to write to the Management Committee with this request. Invitation for the Chair to speak at the Wivelsfield Bonfire celebrations 'Wivelsfield's Big Bang' 2019 – the Council was happy for the Chair to do this. To discuss plans for this year's Remembrance event at the war	Refreshments to be organised for 5/6 Oct. Letter to go to Hall Management Committee requesting canopied front to new Hall entrance. Chair to speak at Bonfire celebrations.
	e	memorial – the former organiser of recent years' Remembrance Services has moved abroad and can no longer be involved. He has passed relevant information onto the Chair, who is happy to work with previous volunteers, the Reverend Christopher Powell etc to organise this year's service. The Council was happy to take on organising the event, and the Clerk will apply for a road closure for the duration of the service. Feedback from the recent meeting of the Lewes District Association of Local Councils – Councillor Martin had been unable to attend the meeting having recently broken her leg.	Clerk to apply for road closure. Chair to lead on organising Remembrance Service.
	f g	Village Hall Project: crowd funding, Buy a Brick and leaflet in Wivelsfield News – in order to put in another CIL bid we need to be able to demonstrate that progress has been made with the various fundraising activities committed to in the first application. The Chair to meet with Nancy Bikson for some advice about crowd funding campaigns and how best to approach the buy a brick initiative. The Chair will also seek a volunteer with copy-writing expertise to draft a piece to publicise the Hall's fundraising campaign, in order to galvanise community support. Request for draft minutes to go on the website – it was agreed to put draft minutes (clearly marked as such) on the Council's website, prior to approval at the following meeting.	The Chair to undertake research to help move the fundraising campaign forward. Draft minutes will be added to the Council's website.
9	a b	Correspondence Information about the Theobalds Road History Trail – it was agreed that this was a great idea (please see item 7g above). Confirmation that £1000 has been raised towards the purchase of a red telephone box and a request for the Council to provide the match funding which had been agreed in the past – Clerk looking into whether the preferred location for siting the box (the verge at the junction of South Road and Green Road) would be allowed by Highways. Subject to approval, quotes for installation will also need to be obtained, since those working on the Highway must meet certain conditions imposed by the Highways Department.	Clerk seeking permission to have the phone box at the preferred location.
	c d e f	Invitation to attend the ESALC AGM and conference. Our nominated representatives (EP & BR) have confirmed they are able to attend. Invitation to attend a Legal & Finance Day on 26 September. South East Coast Ambulance Services' Annual Members Meeting (AMM) on Friday 20th September 2019 at East Sussex National Resort, 1.15-4.30pm. No-one was able or wished to attend. Consultation on proposals to divert public footpath 35, near Winter's Place, North Common Road. Comments required by 27th September. The Council resolved to object to this application as it felt strongly that the footpath was long-established and the house was purchased in full knowledge of the footpath. It was felt that, should the property's owners require more privacy, they should consider planting a hedge, rather than seeking to alter the course of a long-established path.	Cllrs Pascoe & Rust to attend. Clerk to attend. To object to the proposal for the reasons stated.

		concern and disappointment that the verge between the mini

		with only a small swathe being done. They noted that areas of verge	
		were being left untouched in places as wildflower habitats, but this	
		just looks like long, dry, untidy grass and is probably not great for	
	j	pedestrians using the adjacent footpath.	
	ر	Confirmation that the Cricket Club will put up signs during matches,	
	k	warning users of the playground that a match is in play. Invitation to attend AiRS Neighbourhood Planning review sessions –	
	'`	the Council did not wish to participate.	
10		Items for Noting or Inclusion on Next Agenda	
10	а	Item to be added to each future meeting agenda to review and monitor	
	٦	expenditure on the Village Hall Improvement Project (for as long as the	
		project is ongoing/there is CIL money allocated to the project still to be	
		spent).	
	b	Remembrance Day service preparations.
