# WIVELSFIELD RECYCLING DAY

## RULES FOR PARTICIPANTS

Thanking for choosing to take part in the Wivelsfield Recycling Day. For everyone's safety and convenience, please observe the following guidance:

- 1** Place all items that you are making available for re-use outside on the morning of 15th October in your front garden or on the verge, as appropriate.
- 2** Display the poster provided (or other, home-made signs) to indicate that you are taking part.
- 3** Ensure that it is clear which items are available (don't put them on or next to something you don't want to be taken!)
- 4** Ensure footpaths, pavements and roads are kept clear of obstructions and trip hazards
- 5** Only put out items that are in good working order and have plenty of life left in them
- 6** Any items which are not taken must be removed by nightfall
- 7** All participants take part in this initiative entirely at their own risk
