

Hate things going to waste?

Got stuff you've been meaning to get rid of?

Why not take part in...

WIVELSFIELD RECYCLING DAY

Saturday 19th March

**An opportunity for your pre-loved things
to find new homes amongst friends and
neighbours**

Visit www.wivelsfield.org.uk for more info

How it works:

1

Sort out some things that you no longer want, but are in a good, re-usable condition

2

Download and print the poster advertising you're taking part in the Wivelsfield Recycling Day – or make your own!

Poster available from the Parish Council website (wivelsfield.org.uk) or by emailing clerk@wivelsfield.org.uk for a hard copy by Wed 14th March

3

Place everything you're looking to give away outside your house* on the morning of Saturday 19th March and display the poster to show that you're taking part

4

Take a walk around the Parish to see if your neighbours are giving away anything you would like

5

Remove any remaining items at the end of the day

*Footpaths, roads and pavements must be kept clear of obstructions and trip hazards at all times

All participants take part in this initiative entirely at their own risk
